To Whom It May Concern:

I have had the opportunity to work with McNamara Bros. Landscaping on several projects of varying degrees of complexity in the recent past. I have found them to be an outstanding contractor to do business with in all facets of our working relationship.

They are very timely in response to all correspondence, be it requests for bids, clarifications, feedback on potential changes, or scheduling. They have proven to work well in the busy and sometimes hectic construction environment that often conflicts with landscape operations. Their knowledgeable field crews have always been accommodating and easy to work with. The construction quality is top grade and competitively priced, and Kevin and Chris are superb at presenting realistic alternatives to address site conditions that may be unforeseen.

I would not hesitate to recommend McNamara Bros. Landscaping for any project. Please feel free to contact me as needed,

Sincerely,

Jon Phillips
